Contradictions flagged

Database now **377 records** · 492–496 created in this study
392

Bug list 12 → 22 rows (8 dropped defects + 2 Implemented ≠ resolved cross-refs)

3 contradictions flagged: **ID 254, 256,**

21 insights carried forward, ranked by mentions in this study. Colour shows whether each reinforced an existing record (with its new running total) or created a new record (#492–496). ⚠ marks an Implemented ≠ resolved or intra-batch contradiction. The single most-reported item — the non-functional send button (9 mentions) — is a defect tracked in the bug list, not shown here.
